## ☆ *Dedication*

The young men of our nation have been called upon to defend the cause of freedom time and time again. We can look into the pages of history and find this true since the days of the Minute Men. Now these young men have been called on again. This time they are defending freedom not for their country alone, but for the whole world.

Burgard proudly, yet humbly, pays tribute to its former students who have left to serve this cause. It is to them we dedicate the 1953 *Craftsman*.

The number of boys from our school who have trod the war-torn grounds of Korea is great. Many have given their lives or shed their blood upon the United Nations battlefield. Until the time this publication went to press, the following boys have been reported as casualties.

## *Mr. Collins*

Last June, Burgard lost one of its finest instructors in Mr. Francis Collins. He retired from the teaching position after 31 years at Burgard and Elm Vocational.

Mr. Collins is a graduate of the State Normal School and has earned a bachelor's and master's degree from the University of Buffalo. He served on the faculty at schools 53 and 21, and served in the Army in World War I.

His work originally was in English and social studies. He became administrative assistant in the day school and principal in the evening session for several years, alternating with other faculty members.

We shall always remember that the beginnings of our dramatic work at old Elm were in the hands of Mr. Collins. He is responsible for many firsts in this school.

He is now living with his wife at 1320 6th Avenue North, St. Petersburg, Florida. We are looking forward to having Mr. Collins visit his old school whenever he visits his native city.

Best wishes and good luck from all at Burgard!

## *Mr. Dell*

Mr. Truman Dell is another one of Burgard's fine instructors who has left recently. He joined Burgard's faculty 31 years ago in the automobile department. On October 24, 1952 Mr. Dell left to become assistant professor of teacher training at the New York State Department of Education.

From 1940 to 1945 he was with the State Education Department and did teacher training work at Bell Aircraft, the Curtis Wright Corp., and the New York Central Railroad. He also wrote instructional monographs for the State Education Department.

Mr. Dell was given a dinner party October 30th to celebrate his promotion to the State Educational Department. Doctor Benjamin C. Willis was the main speaker. Mr. Kamprath and Mr. Doeberl also spoke. Mr. William H. Roberts was the general chairman of the party.

The State Education Department has received a very fine addition to its educational resources with Mr. Dell, who was always a faithful advisor to his students and conscientious in the performance of his duties.

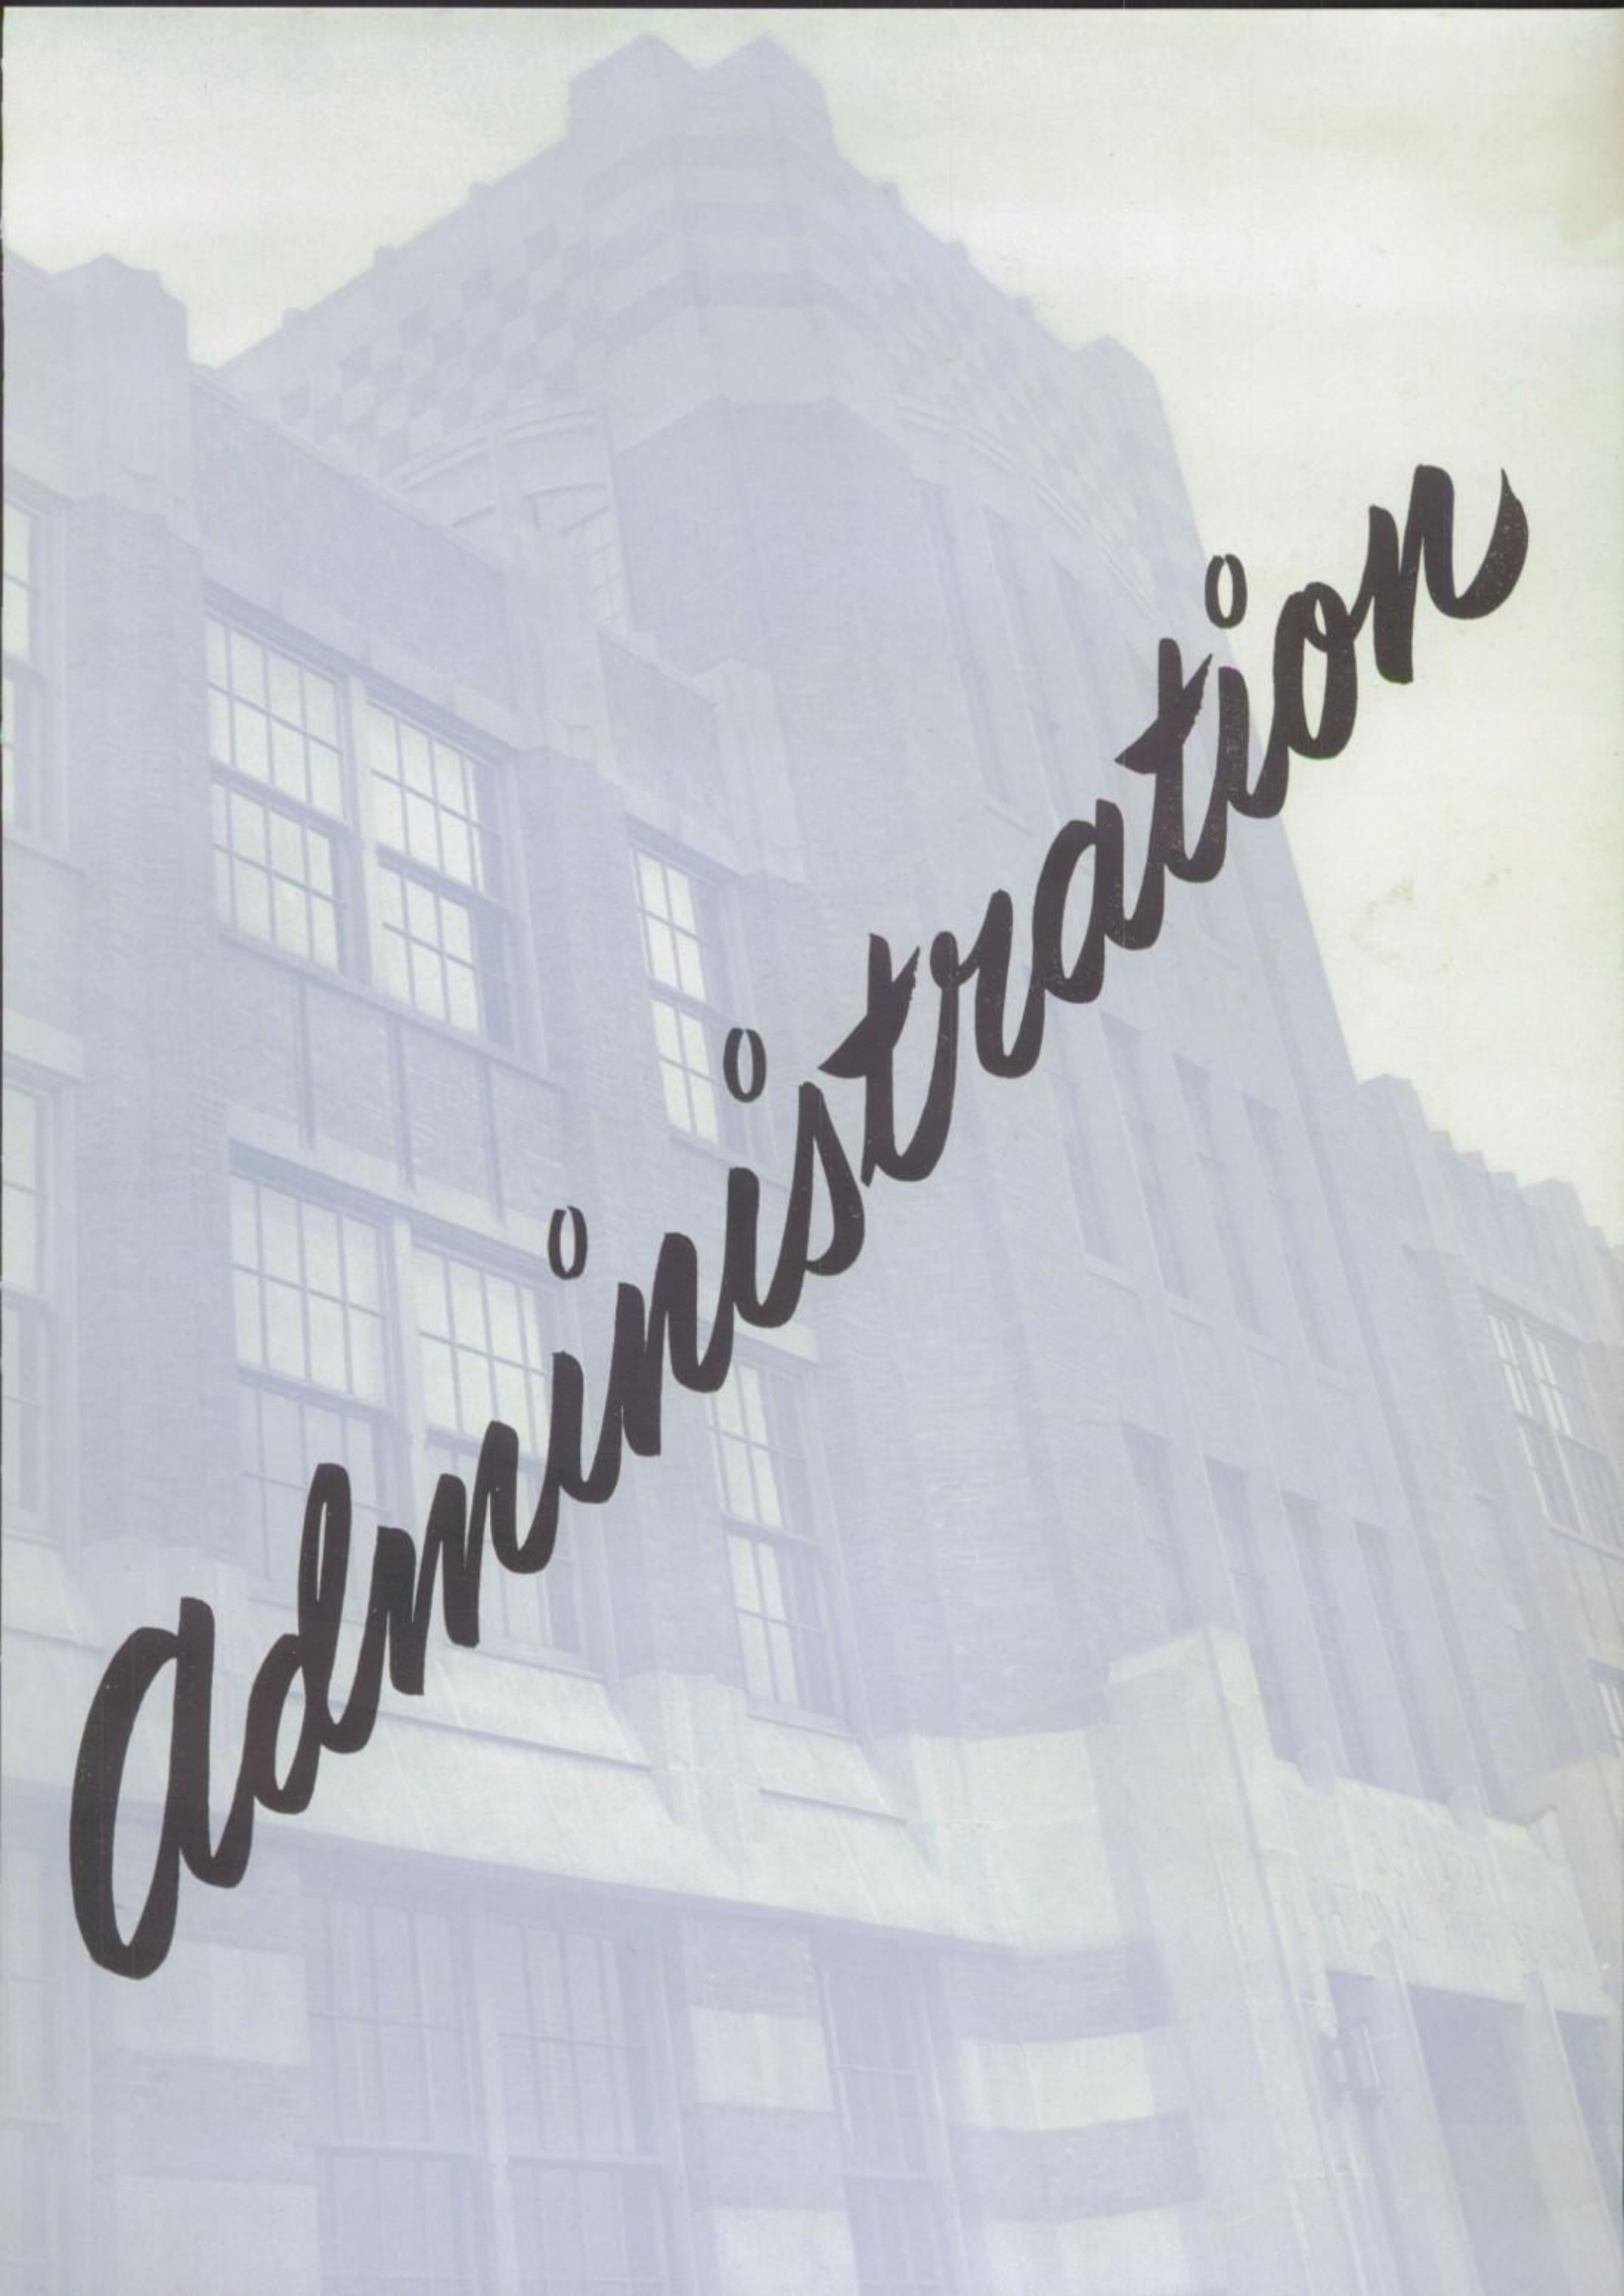

Best of everything, Mr. Truman G. Dell, from all the Burgard boys and faculty!

## *Mr. Steffen*

Mr. Steffen began as an instructor at Burgard in 1917. First, he taught automobile mechanics. In 1923, Mr. Steffen started the first public aviation course in New York State. In 1924 he secured his pilot's license and started the formation of three Burgard Flying Clubs, owning the Eagle Rock, Waco, and Commandaire ships. Three years ago he helped in the development of the marine engine and boat building course.

Now that he has retired, Mr. Steffen wishes to travel to Europe with his wife. At the present time he is on a trip which will include the Atlantic coast to Florida, through the Gulf of Mexico to New Orleans, and then to California and up the coast to Washington. He also hopes to spend much time in boating and hunting. Together the Steffens run the Steffen Construction Company which is now building ranch type homes on Grand Island.

With him go the best wishes of the faculty and students for the realization of his fondest dreams. His 35 years of faithful service to Burgard is indelibly recorded.

## To the Graduates:

You boys, in this eventful year 1953, belong to a generation whose lives are touched by the momentous events of a world in which there are "wars and rumors of war".

The call to young men today is to get ready to carry on the work of free peoples everywhere - - - with righteousness, charity, courage and loyalty.

To be a good son, brother, friend.

To be a faithful, dependable, skilled worker in school, factory, home or office.

To be an intelligent, honest, useful, loyal citizen.

These should be the aspirations of every Burgard graduate. In the midst of world-wide suspicion and conflict, these must be your rules to guide you and help you in meeting the great problems of the moment.

At this critical time it is highly fitting that we read again and study and repeat William Tyler Page's "The American's Creed."

*"I believe in the United States of America as a government of the people, by the people, for the people, whose just powers are derived from the governed; a democracy in a republic; a sovereign nation of many sovereign states; a perfect union, one and inseparable, established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.*

*"I therefore believe it is my duty to my country to love it, to support it's Constitution, to obey its laws, to respect its flag, and to defend it against all enemies."*

America is a great Nation because of the ideals which the founding fathers set for its upbuilding. Since the day of 1776, America has always taken the high road reaching up and out and forward. The future of America rests on our standing by the ideals that have made us great.

Best wishes from your friend,

A handwritten signature in dark ink, reading "W. J. Kamprath". The signature is written in a cursive, flowing style with a large, prominent "W" and "K".

## *Message to Faculty:*

Upon leaving our alma mater,  
we thank the faculty who have  
guided us. Because of their untiring  
efforts to help their students we have  
learned better living and the skills  
we need for success.

# Honor Roll

Among the many honors that can be achieved by a Burgard student, the honor roll is one of the highest. Each boy listed has attained an average of 90% or above for all four marking periods of the first semester. We are proud of their fine record.

# Seniors

# Class History ....

There we stood in front of this building in which we seniors leave our memories of unforgettable days. That was the year of 1949 when we too hoped we could wear the blue and white with pride, as those before us have done. Three hundred of us stood on the steps and in a line down Kensington Avenue hoping to gain entrance into one of the three desired courses, aviation, auto mechanics, or printing. Our graduating class was referred to as the "Fortyniners."

The awaited day came when we received our letters of acceptance, for now our future schooling was set. Came September and we were gathering in the beautiful staged auditorium with the hundreds of strange faces which would become our friends and companions through four years of high school. Oh, the fortunate ones who escaped the hours of initiation as we had our first view of the upper classmen. We looked forward to the day when we as upper classmen could look down on the entering crop of freshmen.

Little did we realize the rapidity with which we would become acclimated to the habits and ready to carry the responsibilities of Burgard. The June exams for which we all studied so hard were sweated out by everyone of us, but the results were in our favor for we were now sophomores.

We now felt more at home for we developed a feeling of pride and success. But we were all sad at heart and worried about our futures, for in the summer of 1950 the Korean War broke out and again Democracy was put to the test of defending its beliefs. Another outstanding addition to Burgard started that year for the boat building course came back to Burgard after being dropped during the last war.

In the field of entertainment, one can recall the Minstrel Shows, the honor roll assemblies. Mr. Roberts entertaining with the organ, and Bob Maggio, who many can remember playing his favorite song "Lady of Spain", and then appearing on the Ted Mack Amateur Hour. Outstanding was the pantomine quartet of the Four Shadows in which Louis Seitz starred. These memories are put away among our cherished thoughts.

1951 came rolling along and we were now happy juniors except for the thought of the Korean War still raging in our minds. Many young men were dying for the cause of right. During this year we had Jerry Gorzynski placed on the All-High Football Team. The basketball team was holding its own. The track team had the honor of placing Gibson, Meyers and Chudy on the All-High Team. Mr. Elliott became the new baseball coach and was wished much luck as he took over the team from Mr. "Jabber" Lynch.

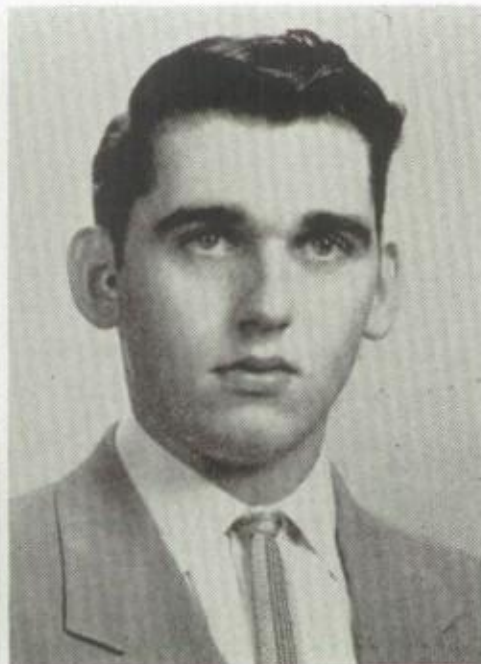

Villa Pontiac and Erie County Dodge dealers donated new dual control driver-training cars this past year. Two of our teachers are using these cars to teach students the finer points of driving.

Seniors, a title which we finally achieved after three full years of hard work was now bestowed upon us. During this year we were well aware of the presidential election because of its importance in choosing the man to lead our country at the time in which we will go out in the world of industry.

We will leave Burgard with mixed feelings. Surely we feel proud to receive a diploma in our chosen field, but sadly we will say good-bye to our classmates, friends, teachers and our school.

AN AGE OLD PRAYER  
RINGS TRUE FOR AMERICA TODAY

*L*ORD, make me an instrument of Thy Peace!

Where there is hatred . . . *let me sow love*

Where there is injury . . . *pardon*

Where there is doubt . . . *faith*

Where there is despair . . . *hope*

Where there is sadness . . . *joy!*

*O* DIVINE MASTER, grant that I may not so much seek

To be consoled . . . *as to console*

To be understood . . . *as to understand*

To be loved . . . *as to love*

FOR

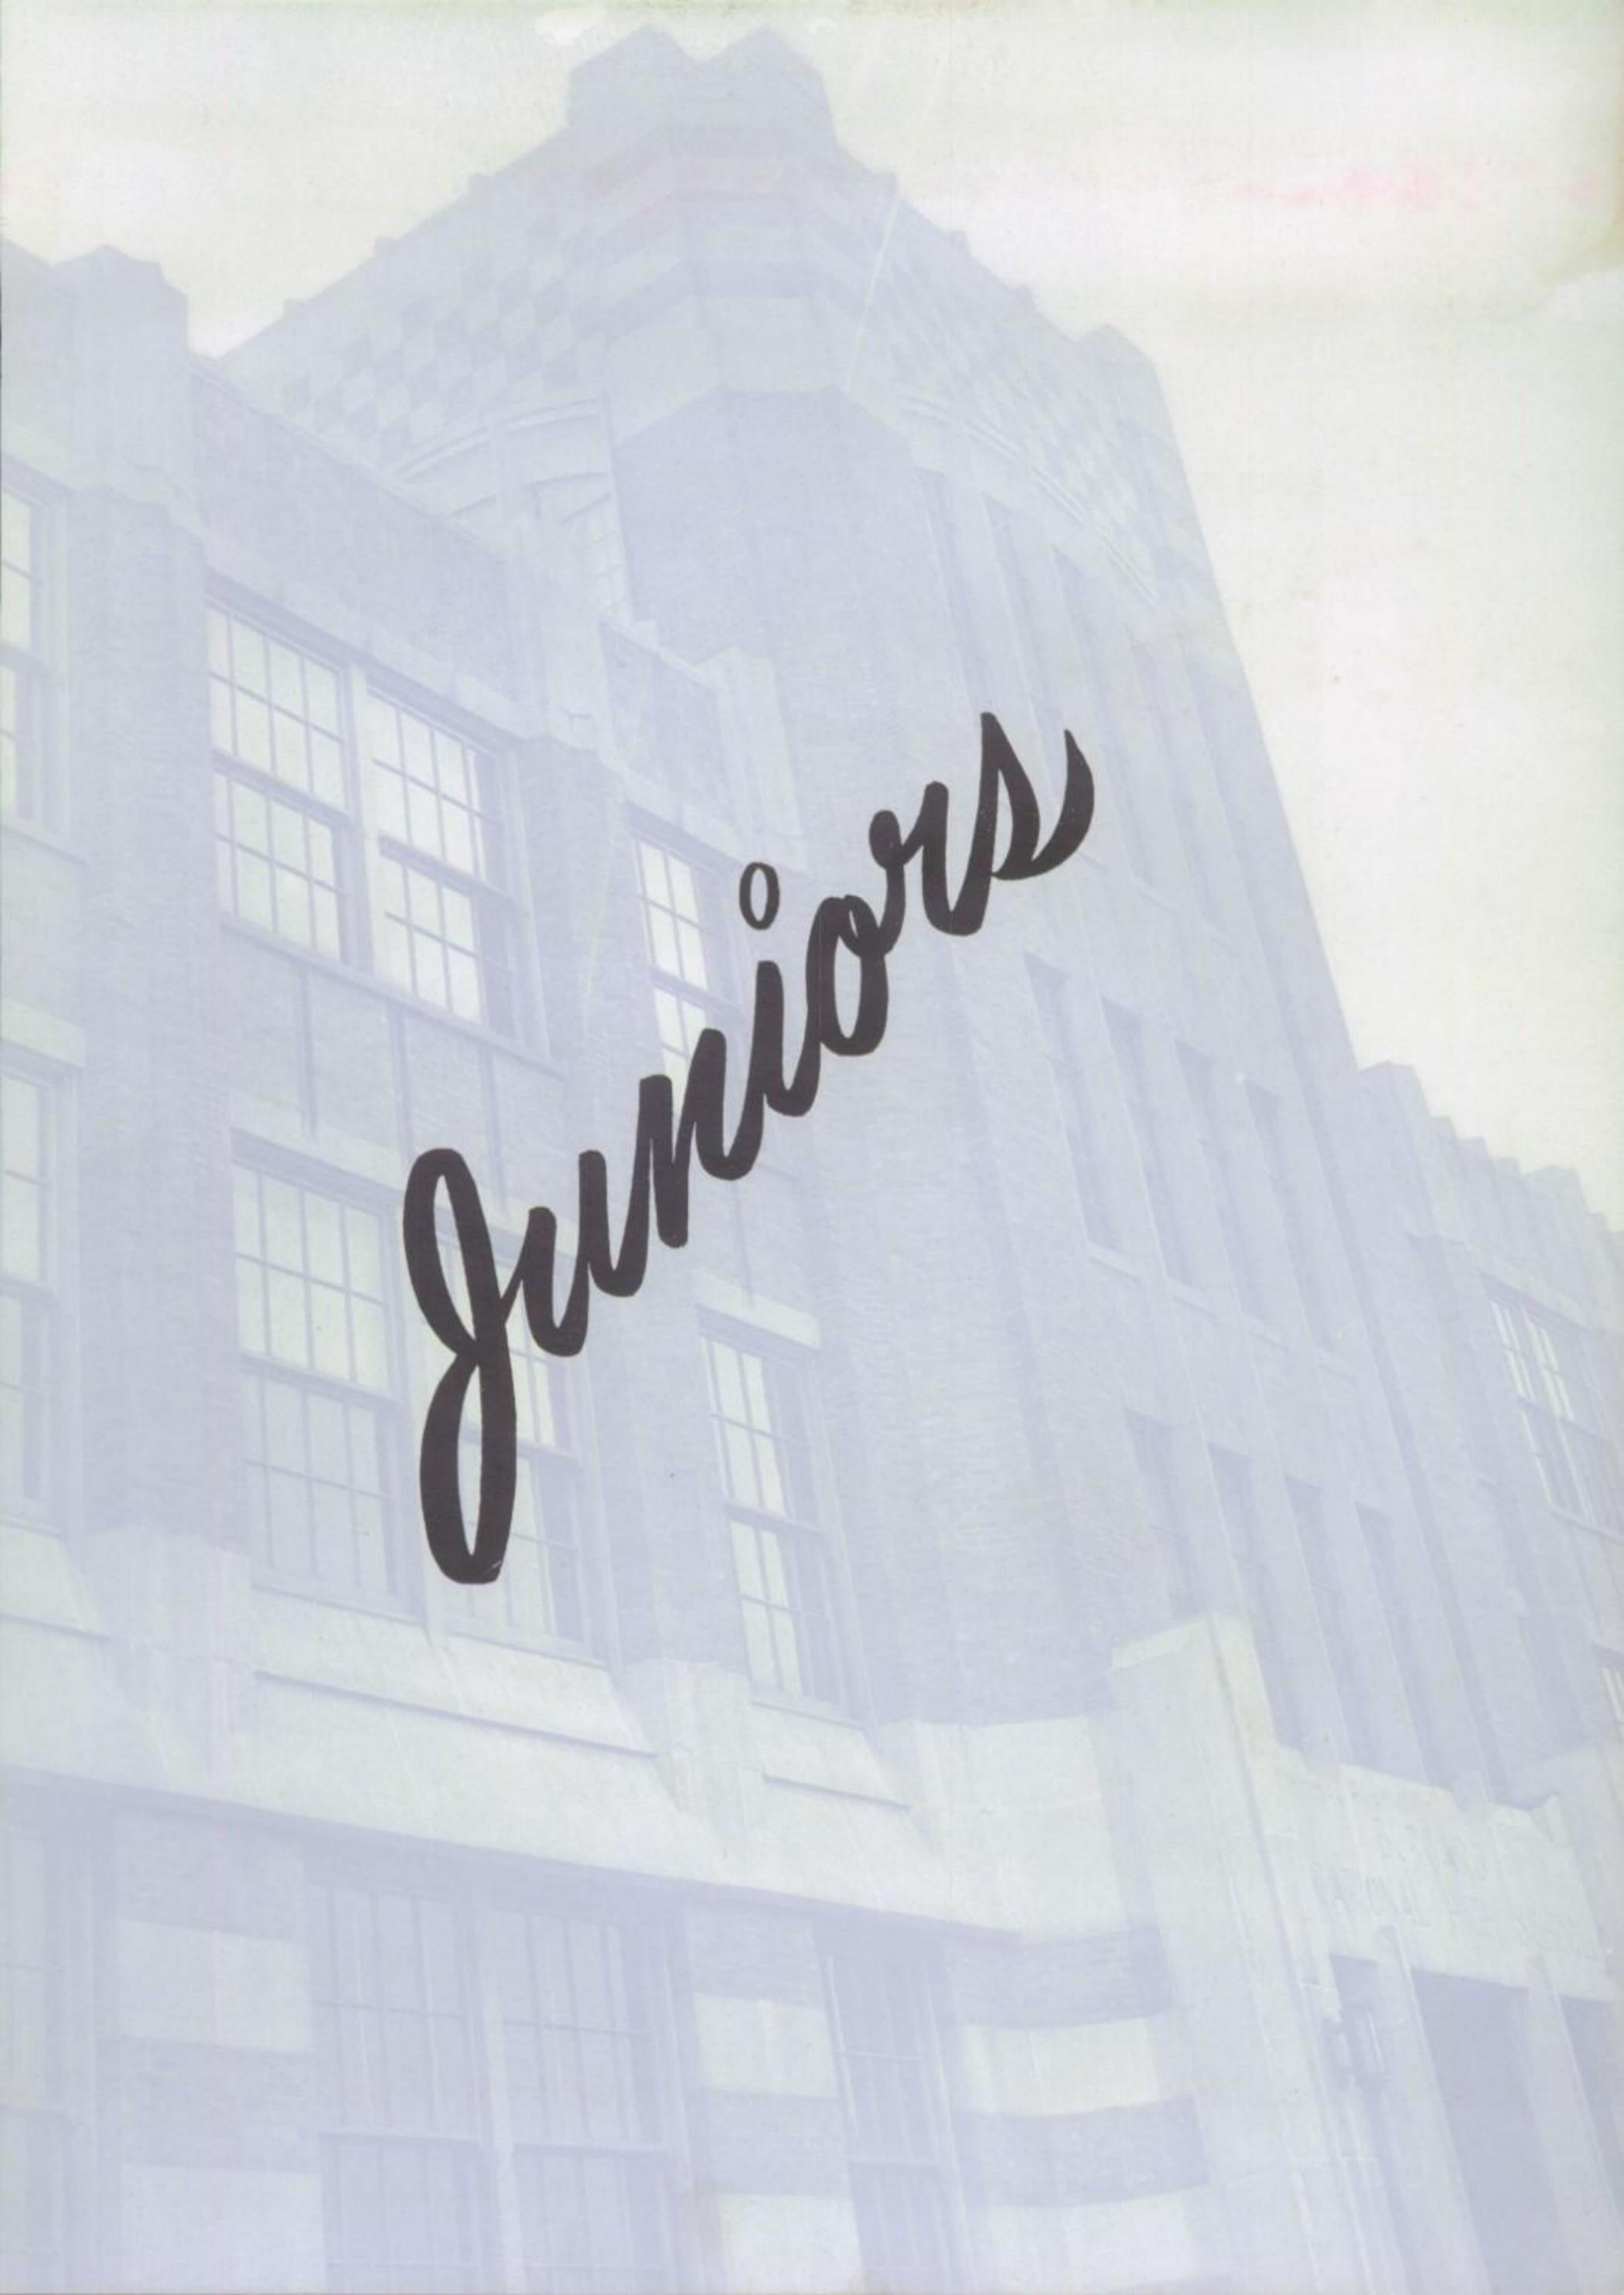

It is in giving . . . *that we receive*

It is in pardoning . . . *that we are pardoned*

It is in dying . . . *that we are born to eternal life.*

A Prayer by St. Francis of Assisi

# NEXT OF KIN

**I** KEEP thinking of him dead, and him so young,  
With the wistful mouth and the glint behind his glasses,  
And the fine words held like honey on the tongue,  
And the sound of hope like surf in the long grasses.

**I** MUST think of him and his friends untimely dead,  
Their dreams, their blazing passion for the truth,  
Their angels silenced and their thoughts unsaid  
In the heroic hush of cancelled youth.

**T**O WHAT avail, alas, to what avail  
If we resume the old futilities!  
Have mercy on our souls if we should fail  
Once more, dear Lord, to merit sons like these!

JOSEPH AUSLANDER

# *So Let Them Rest*

THEY GAVE for us their *dearest* and their best;  
They keep the holiest. Yet for their giving  
Our fittest tribute is not grief and tears,  
But the same ardent vision in our living  
As that which shone, compelling, in their eyes  
Uncowed by Death and all his dreadful fears.  
Then, when at last these glorious dreamers rise,  
The world we keep for them might almost seem  
The living substance of their lofty dream!

How white the crosses --- white and small!  
With what proud love the Flag appears  
To mother them! . . . And then it all  
Is blurred by the insistent tears.

*Charles Buxton Going*

## Assembly Notes . . .

**Sept. 3** Mr. Kamprath welcomed all students at the first assembly on Wednesday morning.

**Sept. 10** At our first regular assembly the new teachers were welcomed. Mr. Harmon, who will teach linotype; Mr. Harrison, who will take Mr. Meinhold's classes for the first term; and Mr. Fila our new auto shop teacher. Mr. Migliore, back from Marine Corps duty was cordially welcomed.

A new Pontiac sedan occupied the center of the stage. This car, given to us by the Villa-Pontiac Company, will be used in the driver training classes. Mr. Doeberl described the course for the benefit of the new students.

Mr. Crotty explained some of the school rules relating to conduct in locker rooms, halls, cafeteria, and attendance.

**Sept. 17** Mr. Kamprath read several announcements pertaining to night school.

Mr. Crotty introduced the guest speaker, Mr. Jimmy Goodrich, one time lightweight champion of the world.

Mr. Goodrich gave a very good talk to the students on the subject of sportsmanship and clean living. He described some of his experiences, that led him to take up boxing.

**Sept. 24** Special pep assembly in preparation for the Kensington game. Mr. Garcea spoke briefly and introduced the new assistant coach, Norman Stadler.

Songs and cheers followed.

**Oct. 3** Program sponsored by the Farm Bureau Mutual Insurance Company. A picture on driving entitled, "Driven to Kill," showed the suffering caused by reckless driving. After the picture was shown the student body lined the driveway and Kensington Avenue, in front of the school, for the brake demonstration. Careful driving within the speed limit pays off in the ability to stop and keep your car under control at all times.

**Oct. 8** Mr. Finley showed the new 21 inch Sylvania Television set acquired by the school.

Assembly concluded with a very interesting picture from the Bell Airplane Co., showing how the helicopter can be used in war and peacetime.

**Oct. 15** A short assembly was followed by the annual Cook's tour of the school.

**Oct. 21** Special Assembly. Of numerous magician acts we have had during the past this was, without any doubt, the best.

"Bobo," the magician, put on an excellent show.

**Oct. 29** Mr. Crotty in charge of a special attendance assembly. The trophy was presented to Group 132. The remainder of the assembly was devoted to songs and cheers. Mr. D'Agostino played the organ and Mr. Pearch led the singing.

**Nov. 5** Special Honor Roll Assembly. Mr. Harris described the oratorical contest, "Voices of Democracy," sponsored by the American Legion. Six boys gave talks and the three winners were; Ray Stahl, Colin Ward, and Edwin Schneider, who took first, second, and third places respectively.

Mr. Regan spoke about the Honor Roll, and then we saw a full length film, "The Spirit of West Point."

**Nov. 10** Armistice Day Assembly. Mr. Paul Wamsley, Principal of School 51, was the speaker on this occasion. His topic was, "Lest We Forget." Mr. Wamsley gave us an excellent talk pointing out that we were apt to make the same mistakes after World War 2 as we had after World War 1.

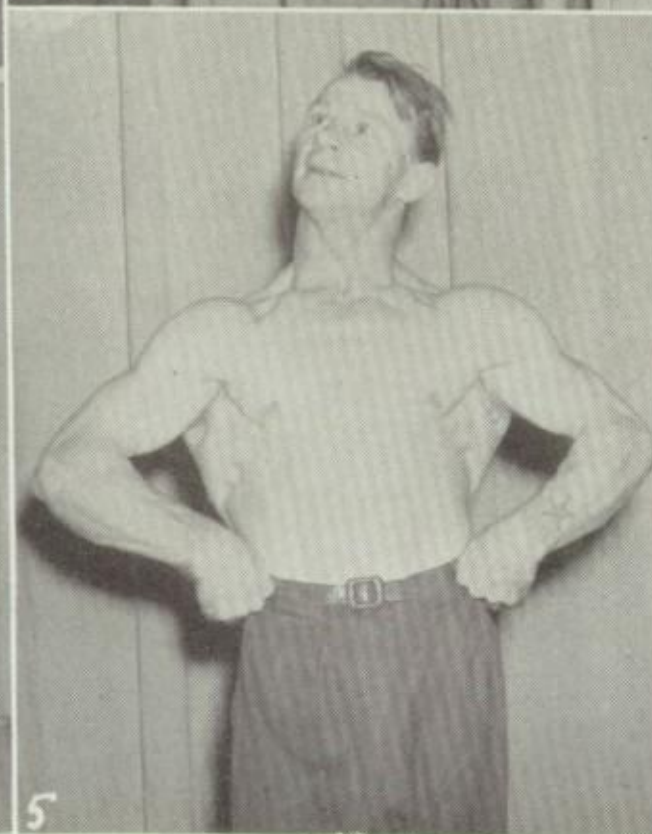

The band played several selections appropriate to the occasion. Our quartet sang, "The Battle Hymn of the Republic."

**Nov. 26** Thanksgiving songs and band selections.

The Chantessute Indian Dancers presented an enjoyable and instructive program of Indian dances.

**Dec. 3** Mr. Crotty showed a picture that he had obtained from the New York Telephone Company. As a matter of fact "The Night Before Christmas," a puppet presentation of Clement Moore's famous poem was a preview of their nation-wide television program two weeks later.

1. A new link is added
2. Mrs. Patterson lifts a barbell
3. Dr. Loew, our Xmas Speaker
4. Chantesute Indian Dancers
5. Mr. Patterson shows his muscles
6. "Bobo" works his magic
7. How fast can you stop?
8. Mr. Demerly conducts a panel
9. Brotherhood at Burgard
10. The Glee Club Sings
11. The Philharmonic Idea is formed
12. Art Crosson plays for us
13. The Burgard Hepcats
14. The "Voices of Democracy"
15. The Philharmonic at Burgard
16. Irwin Busch at Burgard

## Assembly Notes . . .

Mr. Regan led the practice of several Christmas songs.

**Dec. 9** "The Patterson's," an exhibition of gymnastic's and weight lifting. This team has been with the Ringling Circus and on television.

**Dec. 17** Annual Christmas Assembly.

This year, as in the past, our Christmas Assembly was a musical program under the direction of Mr. Edward D'Agostino. There were vocal solos by Irwin Busch and Richard Megerle; selections by the Glee Club and band. Donald Murray read a prayer at the opening of the Assembly.

The Christmas Address was given by Dr. Ralph W. Loew, Minister of Holy Lutheran Church. Dr. Loew chose as his topic, "There Will Always Be A Christmas."

Mr. Harvey Guenther was in charge of the program.

**Jan. 7** Letter Day Assembly.

Mr. Garcea and Mr. Lynch had charge of the program. Mr. Migliore spoke on the benefits to be derived from participation in school activities. Mr. Kamprath presented the award certificates to the members of the Football and Cross Country teams.

Mr. Pearch led the assembly singing.

**Jan. 13** Annual Benjamin Franklin Day Assembly.

Mr. Heinike introduced many visitors on the occasion. The speaker was Mr. Victor Besig, President of the Besig Printing Company.

**Jan. 28** Mr. William Roberts, Chairman of the "Burgard Night at the Philharmonic" committee, had several students give musical numbers. The sale of tickets was explained.

**Feb. 4** The Honor Roll Assembly was in charge of Mr. Regan. Various students performed and a quartet put on a humorous number, "It's in the Book."

Mr. Roberts interviewed several boys who have bought tickets as to their technique in selling.

Mr. Kamprath read the notices.

**Feb. 11,** Mr. Crotty in charge of the assembly, introduced Raymond Stabl who read a message appropriate to the month of February.

Mr. Demerly conducted a round table on the topic of school loyalty and the Philharmonic ticket sale.

Mr. Roberts introduced Mr. Arthur Crossan the well known Buffalo organist. Mr. Crossan played several selections, gave a very enjoyable concert.

**Feb. 18,** National Brotherhood Week. Mr. Crotty spoke briefly upon the aims of National Brotherhood Week. He interviewed several boys who were born outside the United States as to their reactions to this country. Raymond Burzynski,, Robert Gutz and Paul Fairchok read appropriate selections.

**Feb. 25,** Mr. Roberts introduced his daughter, Phyllis, who played three piano selections.

A sound picture from the Perfect Circle Piston Co. showed the 500 mile race at Indianapolis.

Tom McLaughlin received a prize as the champion ticket seller.

Mr. Regan explained how the symphony orchestra will be arranged.

**Mar. 4,** Mrs. Heaps daughter, Paula, played the piano. Mr. Hans Vigeland played the organ.

Movies of the 1951 World Series, were shown.

**Mar. 11,** Prizes awarded to the boys who sold the most tickets.

Mr. Augspurger of the Buffalo Philharmonic congratulated the school for their efforts.

**Mar. 18,** Assembly conducted by the Veteran's group of instructors to honor the Burgard Boys who belong to the various reserve groups. William Rundell, representing the Naval Reserve; William Huntington, the New York National Guard; Gerald Sitler, the Marine Air Reserve, and Richard Horymski, Naval Air Reserve gave talks about their respective branch of the service.

The speaker for this occasion was the Rev. William Bowker, pastor of Holy Communion Episcopal Church. Rev. Bowker is a veteran of World War II and Korea.

A color film showing Atomic bomb tests was shown.

# Burgard Band . . .

The school year of 1952-53 was a year in which Burgard became a school of renown. The fall season was a very active one, with the band playing at all the football games in their fine dress uniforms. Then one Sunday afternoon when Santa Claus was being welcomed to Buffalo, the specators saw the one and only band from any public high school. That band was Burgard's.

Next came the biggest event of the year. Burgard was to play at the Philharmonic. On March 6, 1953 before a house of three

thousand people the band began to play a selection of stirring marches. The band which is directed by Mr. D'Agostino played so that the ovations of the audience were overwhelming.

Burgard's share of the proceeds will be used in part for the rehabilitation of old instruments and for new orchestrations of music.

The band under the able leadership of Mr. D'Agostino has reached a high point in its musical career.

# Burgard Glee Club . . .

The Glee Club has always taken part in the Christmas program and the season of 1952-53 was no exception. The Glee Club consists of some 45 members all of whom took part in the Christmas assembly.

Since the band made a great showing the Glee Club intended to make one also. On March 2, 1953 the Burgard Glee Club participated in the Singing Boys of Buffalo Choir at Memorial Auditorium. The atten-

dance that night was some 6,000 people.

The Glee Club also participates in the Easter Program which consists of a few selections sung by the Glee Club and that of selections done by the student body.

The Glee Club is constantly increasing its repertoire and is becoming one of the finest musical organizations in the Buffalo School System.

## Football

Burgards football team, sparked by the passing combination of Gorzynski and Polik, shifted from a slow start into a headlong plunge toward the Harvard Cup. Such games as those with Tech and East, helped clear a path which almost reached the goal. This year's game with Seneca didn't turn out to be a Burgard victory but it was an upset never-the-less. Seneca, which led behind a trail of shattered competitors, and scores of 48-6, and 36-0, ran into a blue and white brick wall called Burgard, and pulled out by the skin of their teeth winning 13-7.

Coach Garcea has always produced a team which has never been a pushover, and always played their hearts out every game. May all Burgard's future teams play as whole-heartedly as the boys whose pictures you see, for it was these boys who upheld Burgard's honor and good name.

"...Hail to thine athletes, valient for thee..." what our Alma Mater quotes, and it seems as though it was written for Burgard's boys of the past who were like these boys, for those of the present, and those of the future who we know will be like them.

A TOUCHDOWN

# Cross Country

The Bulldog harriers started off their season looking fine but did not have enough manpower to last through the rest of their meets. The team was managed by George Karalus who did a fine job.

The boys who did their share of the work and won major letters are Ron Gibson, Bob Hurling, and Art Schmidle, all freshmen. There was a number of seniors who majored. They are Don Gutowski, Tom Hore, Bob Preston, Nick Przystowski. From the junior and sophomore classes came Don Rogenmoser, Ken Williams, and Ronald Williams. The Cross Country Team displayed the familiar Burgard fight and spirit and we are proud of their efforts.

# Track

The first two meets of the 1952 Track season were successful for the Burgard team. The third one was won by Seneca. In the All Vocational Meet, Burgard placed second.

We are proud of the fact that Burgard was represented on the All Vocational Team by Gerald Chudy, a sophomore who tied for first in the pole vault. Our relay team composed of Bob Meir, Bob Gibson, Joe Eccles and Don Moody won the varsity relay and therefore automatically became members of the All Vocational Team. The remainder of our major letter winners are Cliff Lutz, who ran the 440; Bob Tate, who ran in the sprints; Ara Edwards, in the shot put; Bob Solsback, a mile runner, and Dick Stypa, who represented us in the hurdles.

We are proud of the record of this fine team, and especially of our five All Vocational men.

This year we expect to have a top track team because there will be a large number of experienced men returning in all the events.

1. Finish of Freshman Relay.
2. Clifford Lutz Finishing Second in the 440.
3. Start of 880.

# Basketball

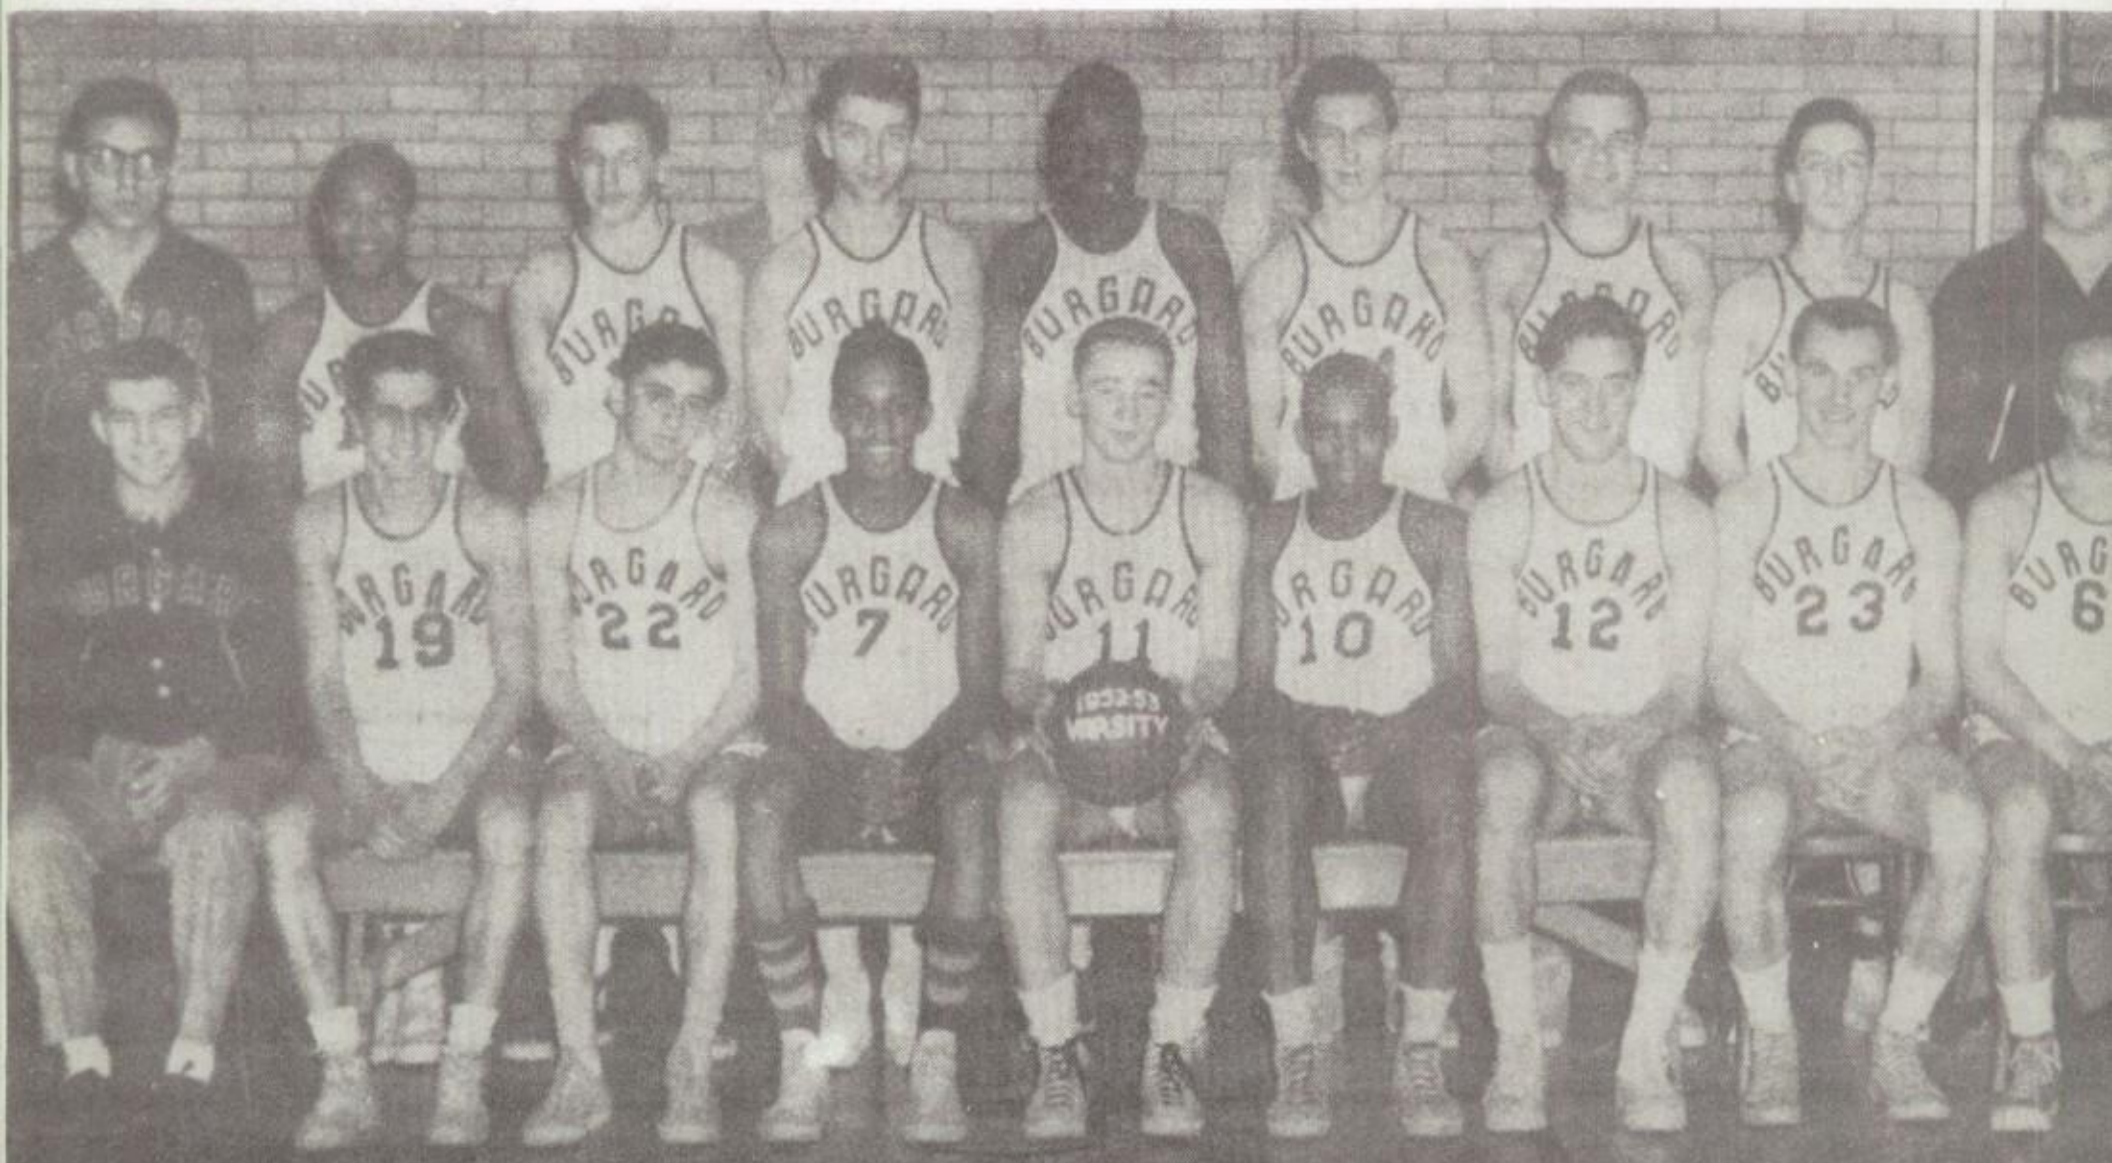

With great confidence and determination, Burgard opened the season with a creditable win over East, 64 to 49. Gary Polik hit for 13 points and Bob Harling had 10. Hard luck then fell on Burgard and the once spirited players lost most of their drive and determination which was displayed by the win over East High School.

Then came our annual game with our favorite opponent, Seneca. The "Indians" tried to scalp us early in the game but all they did was make the "Bulldogs" try all the harder to win. Trailing 35-16 at the half, the "Bulldogs" hit for 21 points in the third quarter and 12 in the fourth to pull within nine points of the bewildered Seneca Indians. The game ended with Seneca on top by the score of 58-49 but Burgard was far out in front in spirit. Gary Polik led the attack with 24 points and jumping Jerry Gorzynski sank 8. This as the many spectators will agree, was a game long to be remembered.

Returning next year will be an experienced quartet, Gary Polik, who captained and inspired the team, scored 171 points this year, is returning along with Roy "Lay - up" Lumpkin, who had 121 points, Bob Harling, 50 points and two able substitutes, Dan Coughlin and George Karalus. Karalus is to be congratulated for the fine job of guarding he did against more experienced players.

*This Years Team Consisted of the Following Players:*

Captain Gary Polik - Forward  
 Robert Johengen - Forward  
 Jerry Gorzynski - Center  
 Roy Lumpkin - Guard  
 Bob Harling - Guard  
 George Karalus - Guard  
 Dan Coughlin - Guard  
 Richard Harrison - Guard  
 Nick Przystawski - Guard  
 William Stevens - Forward  
 Dan Paprota - Forward  
 Bob Catalfu - Forward  
 Paul Kuntz - Forward  
 Joseph Delmont - Forward  
 John Kish - Center  
 Leonard Valvo - Forward

## Baseball

Burgard ended its season tied for second place with Bennett and Seneca. They lost the playoffs to Bennett, by a score of 10 to nothing. In the interleague playoffs Burgard lost a very close game to Emerson by a score of 5 to 4.

The Burgard team was just breaking in a new coach, Mr. Charles Elliott who replaced "Jabber" Lynch. He had to work from scratch with his new team. Despite being handicapped by a new team Burgard ended up winning 4 out of 6 regular games.

Kaye Murphy carried the bulk of the pitching staff. He had a 2 hit game against Bennett and just missed making All High. Jerry Gorzynski batted a lusty .368 to lead the team in the hitting department. He was followed by Norv Kranz, who batted .348. Norv was picked for the second team of the All High.

Mr. Elliott says he expects a number of veterans coming back, and predicts a hustling and hard hitting ball team in '53.

BURGARD vs. SOUTH PARK .....	12 to 11
BURGARD vs. KENSINGTON .....	3 to 15
BURGARD vs. BENNETT .....	3 to 0
BURGARD vs. EAST .....	7 to 3
BURGARD vs. TECHNICAL .....	7 to 2
BURGARD vs. SENECA .....	0 to 6

## Tennis-1952

The "52" tennis team, haunted by inexperience, had a dismal season that saw only one victory. The team singles consisted of: Hank Wiel, Bob Keenen and Ed Schneider. The doubles department was represented by Edwin Peck, Roy Bivolcic, Les Howard and Bob Johengen. Hank Wiel was the individual star of the team and gave his opponents a rough time on the court. The "52" schedule was:

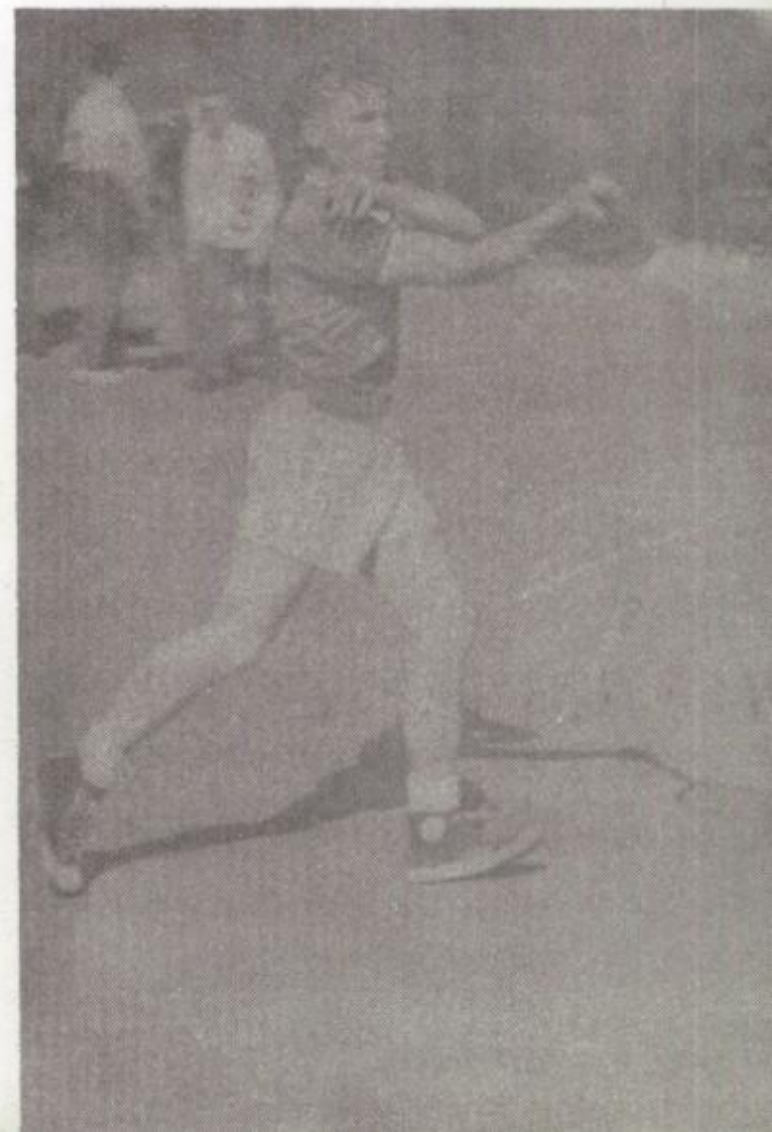

MAY 2	BURGARD	vs	BENNETT	0 - 5
MAY 6	BURGARD	vs	EAST	0 - 5
MAY 13	BURGARD	vs	TECH	1 - 4
MAY 16	BURGARD	vs	SENECA	0 - 5
MAY 20	BURGARD	vs	KENSINGTON	0 - 5
MAY 23	BURGARD	vs	SOUTH PARK	2 - 3
MAY 27	BURGARD	vs	HUTCHINSON	4 - 1

Coach Wright expresses hope that the "53" season, with help of experience, will win more matches.

## Intramural Basketball

Basketball was the first interclass sport played at Burgard this year, and therefore it was hard to predict which team would be champs. The result of this activity gave the Juniors top honors. There were 24 teams in the season's contests and 40 games were necessary to determine the group and finally the school champions.

The referees did a commendable job in conducting the intramural games. Their names are as follows:

Dick Megerle  
George Karalus  
Ronald Thrun  
Ken Johnson

# CONGRATULATIONS

## *.... Graduates and Parents*

HOW HAPPY Dad and Mother are tonight. Happy for themselves and for you, too, for this is **your** night. After four long years of conscientious effort and study, tonight you graduate.

Lest you lose sight of the important role that Dad and Mother played in this, your high achievement, may we suggest that without their help none of this would be possible.

Nothing in the world is as important to parents as their children. And you boys who are graduating tonight have only partially paid them back for all their great love and care. Not until you have reached the maximum of efficiency in the crafts for which you have been trained, and have attained the highest rank in the esteem of your fellow craftsman, will you have fulfilled for them the greatness which in their hearts they had always hoped for you.

They are so proud of you tonight. Won't you promise now—now on the eve of your graduation—that you will never do anything to tarnish that great love they have for you, and that you will work to shape your life so that the highest hopes in the hearts of your Dad and Mom will be realized in the fullest measure.

# FOUR THINGS

Four things a man must learn to do

If he would make his record true;

To think without confusion clearly;

To love his fellow men sincerely;

To act from honest motives purely;

To trust in God and Heaven securely.
